## Certification

Under penalties of perjury, I certify that:

The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

I am a U.S. citizen or other U.S. person (defined below); and

The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Backup withholding instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, refinancing, or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments for interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. ### Changes New

This form has been modified to clarify how a disregarded entity completes line 1. An LLC that is a disregarded entity should check the "LLC" box for the tax classification of its owner. Otherwise, it should check the "Individual/sole proprietor" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect ownership in foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

## Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
